Guardian’s certification process and program requirements have been designed to assess our customer’s ability to consistently fabricate quality coated products for commercial applications. We have attached a copy of the certification report for your review. This certification is valid until April 19,2023. This letter may be submitted as required by architectural specifications as evidence of fabricator certification for processing SunGuard® and other coated products in accordance with Guardian’s standards.

Congratulations on your re-certification as a Guardian Select Fabricator! We look forward to continued success with Tristar Glass Catoosa in the high-performance commercial glass market.

Best Regards,

Richard Hall
