

**TRISTAR GLASS, INC.**  
**LAMINATED GLASS**  
**STANDARD LIMITED WARRANTY**

Tristar Glass, Inc. warrants it's laminated for a period of 5 years from the date of shipment. This warranty covers manufacturing defects resulting in edge separation or delamination which materially obstructs vision through the glass. This warranty is made only to customers who purchase this product directly from Tristar Glass, Inc. Tristar Glass, Inc. requires that this product be installed by persons having the requisite skill to handle and install this product. This product must also be installed and used in accordance with the instructions published by the Glazing Association of North America.

Liability under this warranty is limited to the replacement of defective laminated or a 100% refund of the original purchase price, not labor or any incidental expense as a result of the replacement.

Tristar Glass, Inc. reserves the right to have a qualified representative inspect the alleged defective material and/or have the defective material returned to the factory for inspection before any warranty action can be initiated.

Tristar Glass, Inc. makes no claims to the buyer or any third party on the design of the laminated glass. Buyer assumes all responsibility for ensuring that the product is appropriate for its intended application.

**VARIOUS CONDITIONS THAT WILL VOID THE WARRANTY:**

1. If either glass surface is broken.
2. Placement of any type of film that has created heat buildup in the glass causing uneven heating and edge stress.
3. If it is determined that the laminated glass is compromised by contact with incompatible glazing sealants, cleaners, or other damaging solvents.
4. If the laminated glass is installed into a system that does not include a weep system or some means to keep the glass from sitting in water.
5. Tristar Glass, Inc. will only warrant exposed edge applications with the use of Dupont SentryGlas Plus and EVA interlayers.
