Other	SunGuard® IS 20 HT

Guardian's certification process and program requirements have been designed to assess our customer's ability to consistently fabricate quality coated products for commercial applications. We have attached a copy of the certification report for your review. This certification is valid until 2-12-2026. This letter may be submitted as required by architectural specifications as evidence of fabricator certification for processing SunGuard® and other coated products in accordance with Guardian's standards.

Congratulations on your re-certification as a Guardian Select Fabricator! We look forward to continued success with Tristar Grand Prairie in the high-performance commercial glass market.

Best Regards,

Richard Hall
